## STUDENT GROUP PLANNING GUIDE

At Discovery Park of America, we're proud that our mission includes providing support for teachers and administrators in taking STEAM and history teaching out of the classroom and applying it in a hands-on, state-of-the-art experience.

By contributing to an interdisciplinary and applied approach, integrated into cohesive learning programs, we are helping teachers ignite and inspire the next generation of critical thinkers, problem solvers and innovators. We have many existing classes and programs designed to meet state standards, or we're happy to help you coordinate something unique for your students.

### Education Scholarships

Thanks to the \*Kirkland Scholarship, students from all K-12 schools with 75% of the students qualifying for free or reduced lunches qualify for scholarships that pay for \*100% of the ticket price to visit Discovery Park of America.

\*Scholarships do not cover transportation, meals or special attractions and temporary exhibits. The education team will work with you on those as they develop your visit plan.

**You will be required to email proof of your FRL percentage to [reservations@discoveryparkofamerica.com](mailto:reservations@discoveryparkofamerica.com).**

## Student Group Lunches

Please note that outside food and beverage may NOT be eaten at Discovery Park unless it is to satisfy religious or medical requirements. Students may bring their own lunches, but they must remain in their backpacks or on their bus and be eaten offsite. Several parks are located nearby, and a picnic is often another fun part of a student's day. Lunch options are available through Sabin's Café, our on-site food service provider.

**NOTE: Students visiting on a field trip from a school that provides lunches are allowed to bring sack lunches from their school cafeteria, but please make arrangements in advance.**

Important: Lunches purchased from an outside restaurant **WILL NOT BE** permitted into Discovery Park of America. (E.g. McDonald's, Subway, Wendy's, etc.)

Chaperones on a field trip can order a student lunch through Sabin's Café to eat with their children, or lunch can be ordered ala carte from the Sabin's Café menu. All should be advised that food ordered ala carte may not be ready immediately as it is prepared to order.

## Developmentally Disabled Adult Outing Program

Developmentally disabled adults benefit greatly from opportunities to interact with people outside of their home environments. These outings offer a chance to practice important life skills such as communicating and interacting with others. When developmentally disabled adults are able to participate in their communities, the community as a whole also benefits. When others see developmentally disabled adults behaving in a way appropriate to the circumstances and enjoying the same activities as everyone else, it helps to build community awareness and break down stereotypes.

This program is designed to offer such opportunities and is available for any organization licensed by a state department of intellectual and developmental disabilities (or equivalent state department). With pre-registration, and under the supervision of caregivers approved by a licensed organization, developmentally disabled adults may visit the Discovery Park of America at the discounted student group rate. Please contact our reservations department for more information or to book your trip.
