**CELEBRATE  
BRAIN AWARENESS WEEK!**

**APRIL 15, 2023**

10 a.m. - 2:30 p.m.

The Department of Biological Sciences at the University of Tennessee at Martin, in partnership with the education department at Discovery Park of America, is excited to host Brain Awareness Day on Saturday, April 15, 2023. Five different and exciting stations will be set up throughout the museum offering hands-on and experiential opportunities to learn about the brain and nervous system! There is no extra charge for this event.

**DISCOVERY PARK  
OF AMERICA**
